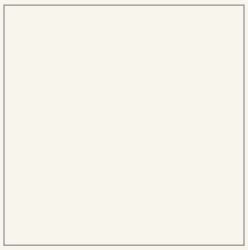
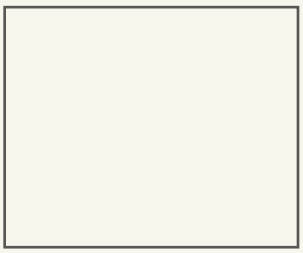
drycrayon: a child’s motions, inked with dycrayon

dywobble: straight guides, a square



dyscribble: a box, a blob



dyloop: circles that don’t close

dyfigure: stick and tadpole

dygrass: blades along a line, and a zigzag

together

lib/drycrayon.ps: dywobble, dyscribble, dyloop, d
build paths and paint nothing; dycrayon inks then
